# Emotional Literacy for Children

We offer a range of programs to early childhood services across Australia. All of our programs are offered Australia-wide and many can be subscribed to using Victorian School Readiness Funding and Queensland Kindy Uplift Funding.

We also offer bespoke programs and coaching on a range of topics. **Contact us** if you'd like to discuss how we can support your service specifically.

## Emotional Literacy for Children

Learn the purpose of, and how to support children to recognise, appropriately express and evolve their capacity to self regulate difficult emotions through your practice, program and environment.

Emotions covered include:

- Anger
- Anxiety (fear)
- Sadness
- Shame and jealousy

- Available Australia-wide
- Available through VIC School Readiness Fund
- Available through QLD Kindy Uplift
