Working with LGBTIQA+ Families and their Children

We offer a range of programs to early childhood services across Australia. All of our programs are offered Australia-wide and many can be subscribed to using Victorian School Readiness Funding and Queensland Kindy Uplift Funding.

We also offer bespoke programs and coaching on a range of topics. [Contact us](#) if you'd like to discuss how we can support your service specifically.

Working with LGBTIQA+ Families and their Children

Become an ally and advocate for LGBTIQA+ families and their children within your service by developing skills and confidence, getting your questions answered and receiving a practical toolkit with posters, best selling books that depict family gender and sexuality diversity and an e-resource delivered by early childhood teachers in collaboration with the LGBTIQA+ community.

- Available Australia-wide
- Available through VIC School Readiness Fund
- Available through QLD Kindy Uplift
