Conversations with a Psychologist: Promoting Children's Mental Health and Wellbeing

We offer a range of programs to early childhood services across Australia. All of our programs are offered Australia-wide and many can be subscribed to using Victorian School Readiness Funding and Queensland Kindy Uplift Funding.

Conversations with a Psychologist: Promoting Children's Mental Health and Wellbeing

Engage in collaborative conversations between a Clinical Psychologist and Registered Teacher (EC) to learn more about common presentations of children's mental health and wellbeing struggles, as well as protective factors and multidisciplinary strategies that educational teams can introduce to better support children and their families through everyday early childhood practices, programs and environments. Topics include:

- Understanding and supporting children (and parents!) separation anxiety
- Understanding and supporting children's emotions
- Understanding and supporting children's neurodivergence
- Understanding and supporting children's gender and sexual identities

- Available Australia-wide
- Available through VIC School Readiness Fund
- Available through QLD Kindy Uplift

Environments to Support Cultural Inclusion

We offer a range of programs to early childhood services across Australia. All of our programs are offered Australia-wide and many can be subscribed to using Victorian School Readiness Funding and Queensland Kindy Uplift Funding.

We also offer bespoke programs and coaching on a range of topics. [Contact us](#) if you'd like to discuss how we can support your service specifically.

Environments to Support Cultural Inclusion

Dive deep into considering the environment as an intentional and purposeful teaching strategy for inclusive practice. Central to this program is the idea that every child, adult and family has unique culture. Not just people who were born in a different community to us. The program helps teaching teams cultivate the environment to support children's identity and belonging in a way that creates wellbeing and inclusion outcomes for children, and their families.

- Available Australia-wide
- Available through VIC School Readiness Fund
- Available through QLD Kindy Uplift
